Lead Plaintiffs and BlackBerry acknowledge, and each of the other Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

II. THE SETTLEMENT

A. The Class

2.1 For purposes of this Stipulation and the Settlement, the Class is defined in paragraph 1.20 above.

B. The Settlement Fund

2.2 In consideration of the full and final release, settlement, and discharge of all Released Claims against the Released Defendant Parties, Defendant BlackBerry agrees to deposit the Settlement Amount by placing it in an interest-bearing escrow account set up by the Escrow Agent. Defendant BlackBerry shall cause the escrow account to be funded in an amount of \$1,000,000 (the "Initial Payment") within ten (10) business days after all of the following have occurred: (i) preliminary approval of this Settlement by the Court, (ii) a fully executed Settlement

Agreement, and (iii) the provision by the Escrow Agent of all required funding information, including without limitation wire instructions, verbal confirmation of such instructions, and a Form W-9 with a tax identification number. Defendant BlackBerry shall cause the escrow account to be funded with the remainder of the Settlement Amount (\$164,000,000) by no later than the later of (i) September 6, 2022, or (ii) the date on which the Initial Payment is due under the terms identified above.

2.3 Other than BlackBerry's obligation to deposit the Settlement Amount in the Escrow Account, under no circumstances will any of the Released Defendant Parties have any obligation to make any payment pursuant to this Settlement for any reason whatsoever, including, without limitation, as compensation to any Class Member, as payment of attorneys' fees and expenses awarded by the Court, or in payment of any fees or expenses incurred by any Class Member or Plaintiffs' Counsel. The Released Defendant Parties will have no responsibility for, or liability or obligation whatsoever to anyone with respect to: the Settlement Fund, the Escrow Account, the Claims Administrator, any transaction executed or approved by the Escrow Agent, the maintenance, administration, investment, or distribution of the Settlement Fund or the Net Settlement Fund, the establishment or administration of the Plan of Allocation, the determination, administration, or calculation of Claims, the payment or withholding of Taxes, the administration of the Settlement, or any losses incurred in connection with such matters.

2.4 The interest from this Escrow Account will accrue to the benefit of the Class if the Court approves the Settlement. But, if the Effective Date does not occur or the Stipulation shall terminate, or be canceled, or shall not become effective for any reason, the interest and Settlement Amount will be returned to Defendant BlackBerry less any amounts actually expended for Notice and administration, within thirty (30) business days pursuant to ¶ 7.3 below.

2.5 This is not a claims-made settlement. Defendant BlackBerry will have no ability to recapture any of the Settlement Amount unless the Effective Date does not occur or the Stipulation shall terminate, or be canceled, or shall not become effective for any reason.

2.6 The Released Defendant Parties shall have no responsibility for or incur any liability with respect to the management, investment, or distribution of the Settlement Fund or Net Settlement Fund or for any losses suffered by, or fluctuations in the value of, the Settlement Fund or Net Settlement Fund.

C. The Escrow Agent

2.7 The Escrow Agent shall invest the Settlement Fund, or any portion thereof, in instruments backed by the full faith and credit of the United States Government or fully insured by the United States Government or its agencies and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates.

2.8 The Escrow Agent shall not disburse the Settlement Fund except as provided in the Stipulation or by Court order. Upon Final Approval of the Settlement and completion of the claims processing, the Escrow Agent shall distribute the Net Settlement Fund (as defined below) in accordance with the Court-approved Plan of Allocation without further order of the Court.

2.9 Subject to further order and/or direction as may be made by the Court, the Escrow Agent is authorized to execute transactions on behalf of the Class Members that are consistent with the terms of the Stipulation.

2.10 All funds held by the Escrow Agent shall be deemed and considered to be *in custodia legis* of the Court and shall remain subject to the jurisdiction of the Court until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court. No portion of the Settlement Fund shall be disbursed except as provided in this Stipulation, as

provided by an order of the Court, or with written agreement with undersigned counsel to Defendant BlackBerry.

2.11 Upon payment to the Escrow Agent of the Initial Payment provided for in paragraph 2.2., Lead Counsel may establish a “Class Notice and Administration Fund” from the Settlement Fund. No further disbursements shall be made from the Settlement Fund, except by the joint direction of counsel for BlackBerry and Lead Counsel, or with the approval of the Court. The Class Notice and Administration Fund may be used by Lead Counsel, without prior approval of the Court, only to pay the Claims Administrator for costs and expenses reasonably and actually incurred in connection with providing notice to the Class (including any reimbursement of banks, brokerage houses or other nominees solely for their reasonable out-of-pocket expenses incurred in providing notice to beneficiaries who are Class Members, which expenses would not have been incurred except for the sending of such notice, subject to further order of the Court with respect to any dispute concerning such compensation), locating Class Members, assisting with the filing of claims, preparing any tax returns necessary for the settlement fund, administering and distributing the Settlement Fund to Authorized Claimants, processing Proof of Claim and Release forms, and paying escrow fees and costs, if any. The Class Notice and Administration Fund also may be invested and earn interest as provided for in ¶ 2.6 of this Stipulation.

2.12 The Released Defendant Parties shall not have any responsibility for or incur any liability with respect to: any act, omission, or determination of or by the Escrow Agent, or any designees or agents thereof; the Class Notice and Administration Fund; the administration of, distribution of, or disbursement from the Class Notice and Administration Fund; the Settlement Fund; the administration of, distribution of, or disbursement from the Settlement Fund; the Net

Settlement Fund; the administration of, distribution of, or disbursement from the Net Settlement Fund; or the payment of Taxes.

D. Taxes

2.13 The Settling Parties and the Escrow Agent agree to treat the Settlement Fund at all times as a “qualified settlement fund” within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable, including the “relation-back election” (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Claims Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

2.14 For the purpose of Section 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Claims Administrator. The Claims Administrator shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. §1.468B-2(k)). Such returns shall reflect that all Taxes (including any estimated Taxes, interest or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in ¶ 2.14 of this Stipulation.

2.15 All Taxes and Tax Expenses shall be paid out of the Settlement Fund exclusively. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes

and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(1)(2)). The Settling Parties hereto agree to cooperate with the Claims Administrator, the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of ¶¶ 2.12 to 2.14 of this Stipulation.

2.16 For the purpose of ¶¶ 2.12 to 2.14 of this Stipulation, references to the Settlement Fund shall include the Settlement Fund, the Class Notice and Administration Fund, and the Net Settlement Fund, and shall also include any earnings on each of the foregoing.

2.17 In no event shall the Released Defendant Parties have any responsibility for or liability with respect to any Taxes or Tax Expenses.

E. Effect of Termination or Lack of Effectiveness of Settlement

2.18 In the event that the Effective Date does not occur or the Settlement is terminated or does not become effective for any reason, the Settlement Fund and the Class Notice and Administration Fund and the Net Settlement Fund (in each case, including accrued interest), less administration expenses actually incurred in connection with the Settlement provided for herein, plus accrued interest shall be refunded to BlackBerry and/or to other parties at BlackBerry's direction as provided in ¶ 7.3 of this Stipulation, below, within seven (7) business days of the occurrence of such event. At the request of Defendant BlackBerry, the Escrow Agent or its designee shall apply for any tax refund owed on the Settlement Fund and pay the proceeds, after deduction of any fees or expenses incurred in connection with such application(s) for refund, to BlackBerry.

III. PRELIMINARY APPROVAL ORDER AND SETTLEMENT HEARING

(m) Provide that at or after the Settlement Hearing, the Court shall determine and enter an Order regarding whether and in what amount attorneys' fees and reimbursement of expenses should be awarded to Plaintiffs' Counsel out of the Settlement Fund;

(n) Provide that pending final determination of whether the Settlement should be approved, neither Plaintiffs nor any Class Member, whether directly, representatively, or in any other capacity, shall commence or prosecute any action or proceeding in any court or tribunal asserting any of the Released Claims against any of the Released Defendant Parties;

(o) Provide that any objections to: (i) the Settlement; (ii) entry of the Judgment approving the Settlement; (iii) the proposed Plan of Allocation; or (iv) Plaintiffs' Counsel's fee and expense application(s), and any papers submitted in support of said objections, shall be

considered by the Court at the Settlement Hearing only if, on or before the date specified in the Preliminary Approval Order, Persons making objections shall have filed and served written objections (which shall set forth each objection and the basis therefore) and copies of any papers in support of their position as set forth in the Notice; and

(p) Provide that the Settlement Hearing may be continued or adjourned by Order of the Court without further notice to the Class.

IV. RELEASES

4.1 Upon the Effective Date, as defined in ¶ 7.1 of this Stipulation, Plaintiffs and each of the Class Members who have not opted out of the Settlement in accordance with the procedures provided in the Notice, on behalf of themselves, their respective present and former parent entities, subsidiaries, divisions, and affiliates, the present and former employees, officers, directors, advisors, partners, and agents of each of them, and the predecessors, heirs, executors, administrators, trusts, family members, successors and assigns of each of them, and anyone claiming through or on behalf of any of them, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims as against the Released Defendant Parties, or any of them, whether or not such Class Member executes and delivers a Claim Form or participates in the Settlement Fund.

4.2 Upon the Effective Date, all Class Members and anyone claiming through or on behalf of any of them, will be forever barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting, or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity), asserting any of the Released Claims against any of the Released Defendant Parties.

4.3 Plaintiffs, for themselves and on behalf of all Class Members, expressly acknowledge that they may hereafter discover facts in addition to or different from those that any of them or their counsel now know or believe to be true with respect to the subject matter of the Released Claims or otherwise, but upon the Effective Date, Plaintiffs expressly shall have, and each Class Member shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, that now exist or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts. Plaintiffs acknowledge, and the Class Members shall be deemed to have acknowledged, and by operation of the Judgment shall have acknowledged, that the foregoing waiver of Released Claims that are Unknown Claims was separately bargained for and a key element of the Settlement of which this release is a part.

4.4 Upon the Effective Date, each of the Released Defendant Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Plaintiffs' Parties from the Released Defendant Claims, except for those claims brought to enforce the Settlement.

4.5 The Individual Defendants and Plaintiffs have entered into an agreement (the "Individual Defendants Agreement"), dated June 7, 2022, under which, among other things, the Individual Defendants confirm that, upon the Effective Date, the Individual Defendants shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Plaintiffs' Parties from the Released Defendant Claims,

except for those claims brought to enforce the Settlement, pursuant to ¶ 4.4 above. The Individual Defendants Agreement shall be made available to the Court for *in camera* review upon the Court's request.

4.6 Upon the Effective Date, the terms of 15 U.S.C. § 78u-4(f)(7) shall apply to this Settlement, including that the Judgment shall provide that Contribution Claims shall be permanently barred, extinguished, discharged, satisfied, and unenforceable.

V. ADMINISTRATION AND CALCULATION OF CLAIMS, FINAL AWARDS, AND SUPERVISION AND DISTRIBUTION OF SETTLEMENT FUND

5.1 The Claims Administrator shall administer and calculate the claims submitted by Class Members under the supervision of Lead Counsel and pursuant to the Preliminary Approval Order entered by the Court.

5.2 Subject to the terms of this Stipulation and any orders of the Court, the Settlement Fund shall be applied as follows:

(a) to pay, consistent with ¶ 2.10, all the costs and expenses reasonably and actually incurred in connection with providing Notice, locating Class Members, assisting with the filing of claims, administering and distributing the Settlement Fund to Authorized Claimants, processing Claim Forms, and pay escrow fees and costs, if any;

(b) to pay Taxes and Tax Expenses;

(c) to pay Plaintiffs' Counsel's attorneys' fees and expenses, and, after the Effective Date, to pay Plaintiffs for their time and expenses, if and to the extent allowed by the Court (the "Fee and Expense Award");

(d) after the Effective Date, to distribute the Net Settlement Fund to Authorized Claimants as allowed by the Stipulation (including ¶¶ 5.3-5.7 below) and the Plan of Allocation and any other applicable order of the Court.

5.3 Upon the Effective Date and thereafter, and in accordance with the terms of the Stipulation and the Plan of Allocation, the Net Settlement Fund shall be distributed to Authorized Claimants, subject to and in accordance with ¶¶ 5.4 through 5.9 below.

5.4 Any Person falling within the definition of the Class may be excluded from the Settlement by submitting to the Claims Administrator a request for exclusion which complies with the requirements set forth in the Notice and is postmarked no later than fourteen (14) days prior to the date of the Settlement Hearing. Any Person who submits a valid and timely request for exclusion (and does not subsequently revoke this request for exclusion) shall have no rights under the Stipulation, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Stipulation (including the releases herein) or the Judgment. However, a Class Member may submit a written revocation of a request for exclusion within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court, and may receive payments pursuant to this Stipulation and Settlement provided the Class Member also submits a valid Claim Form, as set forth in ¶ 5.6 below, within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court.

5.5 Within ninety (90) days after the mailing of the Notice or such other time as may be set by the Court, each Person claiming to be an Authorized Claimant shall be required to submit to the Claims Administrator a completed Claim Form, signed under penalty of perjury and supported by such documents as are specified in the Claim Form and as are reasonably available to the Authorized Claimant. A Claim Form shall be deemed submitted when posted if received with a postmark indicated on the envelope and if mailed by first-class mail and addressed in accordance with the instructions thereon. In all other cases, the Claim Form shall be deemed to have been submitted when actually received by the Claims Administrator.

5.6 Claims Forms that do not meet the submission requirements may be rejected. Prior to rejecting a Claim in whole or in part, the Claims Administrator shall communicate with the Claimant in writing to give the Claimant the chance to remedy any curable deficiencies in the Claim Form submitted. The Claims Administrator, under the supervision of Lead Counsel, shall notify, in a timely fashion and in writing, all Claimants whose Claim the Claims Administrator proposed to reject in whole or in part, setting forth the reasons therefore, and shall indicate in such notice that the Claimant whose Claim is to be rejected has the right to a review by the Court if the Claimant so desires and complies with the requirements of ¶ 5.6 below.

5.7 If any Claimant whose Claim has been rejected in whole or in part desires to contest such rejection, the Claimant must, within twenty (20) days after the date of mailing of the notice required under ¶ 5.5 above, serve upon the Claims Administrator a notice and statement of reasons indicating the Claimant's grounds for contesting the rejection along with any supporting documentation, and requesting a review thereof by the Court.

5.8 The administrative determinations of the Claims Administrator accepting and rejecting Claims shall be presented to the Court, on notice to counsel for Defendants, for approval by the Court. No discovery shall be allowed in connection with the processing of Claims Forms. All Class Members whose Claims are not approved by the Court shall be barred from participating in distributions from the Net Settlement Fund but otherwise shall be bound by all of the terms of this Stipulation, including the terms of the Final Judgment to be entered in the Action and the releases provided therein, and will be barred and enjoined from bringing any action against the Released Defendant's Parties or concerning any or all of the Released Claims.

5.9 All Class Members who fail to timely submit a Claim Form within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court, shall be

forever barred from receiving any payments pursuant to the Stipulation and the Settlement, but will in all other respects be subject to and bound by the provisions of the Stipulation, the releases contained herein, and the Judgment.

5.10 The Net Settlement Fund shall be distributed to the Authorized Claimants substantially in accordance with a Plan of Allocation to be described in the Notice and approved by the Court. If there is any balance remaining in the Net Settlement Fund after six (6) months from the date of distribution of such Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), such balance shall be reallocated among and distributed to Authorized Claimants in an equitable and economic fashion or used to pay any outstanding amounts due to the Claims Administrator. Should any balance remain, Plaintiffs will propose to the Court for its approval an appropriate 501(c)(3) non-profit organization(s) beneficiary.

5.11 No Person shall have any claim against Plaintiffs' Counsel, the Claims Administrator, or other entity designated by Lead Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained herein, the Plan of Allocation, or further order(s) of the Court.

5.12 It is understood and agreed by the Settling Parties that any proposed Plan of Allocation of the Net Settlement Fund including, but not limited to, any adjustments to an Authorized Claimant's claim set forth therein, is not a part of the Stipulation and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement, and any order or proceeding relating to the Plan of Allocation shall not operate to terminate or cancel the Stipulation or affect or delay the finality of the Judgment or Settlement of the Action (including the releases contained in the Stipulation), or any other orders entered pursuant to the Stipulation.

5.13 Defendant BlackBerry will take no position with respect to the Plan of Allocation. The Plan of Allocation is a matter separate and apart from the Settlement and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the Settlement.

5.14 The Released Defendant Parties shall not have any responsibility for or incur any liability with respect to: any act, omission, or determination of or by the Claims Administrator, or any designees or agents thereof; any act, omission, or determination of or by any other entity designated by Lead Counsel as referenced in ¶ 5.10 of this Stipulation; the Plan of Allocation; or the administration of the Plan of Allocation, except that Defendant BlackBerry shall be responsible for providing required notice under the Class Action Fairness Act of 2005, if any, at its own expense, no later than ten (10) calendar days following the filing of this Stipulation with the Court.

VI. ATTORNEYS' FEES AND REIMBURSEMENT OF ATTORNEYS' EXPENSES AND PLAINTIFFS' EXPENSES

6.1 Plaintiffs' Counsel may submit an application or applications for distributions to them from the Settlement Fund for: (a) an award of attorneys' fees; and (b) reimbursement of litigation expenses, including the fees of any experts, consultants, and investigators incurred in connection with prosecuting the Action, plus any interest on such attorneys' fees and expenses accrued at the same rate and for the same periods as earned by the Settlement Fund (until paid), as may be awarded by the Court (the "Fee and Expense Application"). Plaintiffs may also submit an application for compensation for their time and expenses in connection with the prosecution of the Action. Such Fee and Expense Application shall seek an award of attorneys' fees in an amount not to exceed one-third (33 1/3%) of the Settlement Fund, and reimbursement of reasonable expenses and costs incurred in connection with the prosecution of this Action. Such Fee and Expense Application is subject to the approval of the Court. Plaintiffs will seek up to \$125,000

for each of the Lead Plaintiffs as reimbursement for their time and expenses in overseeing the prosecution of this Action (“Lead Plaintiffs’ Reimbursement Award”). BlackBerry will take no position on Plaintiffs’ application for a Lead Plaintiffs’ Reimbursement Award.

6.2 The attorneys’ fees and expenses, as awarded by the Court, shall be paid to Lead Counsel from the Settlement Fund, as ordered, within fourteen (14) days after the date the Court enters the Judgment and an order awarding such fees and expenses, notwithstanding any objections to or appeals of such order or of the Judgment. In the event that the Effective Date does not occur, or the Judgment is reversed or modified in any way that affects the award of attorneys’ fees and expenses, or the Stipulation is terminated for any other reason, then Lead Counsel shall be obligated to refund to the Escrow Account, within ten (10) business days from receiving notice from BlackBerry’s counsel or from a court of appropriate jurisdiction, either the full amount of the fees and expenses or an amount consistent with any modification of the Judgment with respect to the fee and expense award, including any accrued interest that had been paid as part of the award. Plaintiffs’ Counsel agree that their respective law firms are subject to jurisdiction of the Court for the purpose of enforcing the provisions of this paragraph and are severally liable for repayment of attorneys’ fees and expenses awarded by the Court. Any amounts awarded by the Court to Lead Plaintiffs for reimbursement of their time and expenses shall not be paid from the Settlement Fund until after the Effective Date.

6.3 The Settlement is not contingent on the allowance or disallowance of any requested Fee and Expense Award, Plaintiffs’ Fee and Expense Application, or any requested Lead Plaintiffs’ Reimbursement Award. Any such allowance or disallowance will not be grounds for terminating the Settlement. Any order or proceedings relating to the Fee and Expense Application, Plaintiffs’ Fee and Expense Application, or Lead Plaintiffs’ Reimbursement Award, or any appeal

from any order relating to any of the foregoing or reversal or modification of any of the foregoing, shall not operate to terminate or cancel the Stipulation, or affect or delay the finality of the Judgment or the Settlement (including the releases contained therein).

6.4 The Released Defendant Parties shall have no responsibility for, and no liability whatsoever with respect to: any Fee and Expense Application that Plaintiffs' Counsel may file; any Plaintiffs' expenses application or Lead Plaintiffs' Reimbursement Award application that Plaintiffs' Counsel may file; any payments to Plaintiffs' Counsel pursuant to ¶¶ 6.1 and 6.2, above; or any Fee and Expense Award that the Court may make in the Action.

VII. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION

7.1 The Effective Date of the Stipulation and the Settlement shall be conditioned on the occurrence of all of the following events:

(a) the Settlement Amount has been paid into the Settlement Fund as required by ¶ 2.2 of this Stipulation;

(b) the Court has entered the Preliminary Approval Order substantially in the form attached hereto as Exhibit A as referenced in ¶ 3.1 of this Stipulation;

(c) the Court has entered the Judgment, or a judgment substantially in the form of Exhibit B hereto, which, *inter alia*, dismisses the Action with prejudice;

(d) BlackBerry has not exercised its option under ¶ 7.6 of this Stipulation to terminate the Settlement and the time for doing so has expired; and

(e) the Judgment has become Final.

7.2 Upon the occurrence of all the events referenced in ¶ 7.1 of this Stipulation, any and all remaining interest or right of Defendant BlackBerry in or to the Settlement Fund, if any, shall be absolutely and forever extinguished. If all the conditions specified in ¶ 7.1 of this

Stipulation are not met, then the Stipulation shall be canceled and terminated subject to ¶ 7.4 of this Stipulation unless Lead Counsel and counsel for Defendants mutually agree in writing to proceed with the Settlement.

7.3 Unless otherwise ordered by the Court, in the event that the Effective Date does not occur or the Stipulation shall terminate, or be canceled, or shall not become effective for any reason, including, without limitation, in the event that the Settlement is not approved by the Court or the Judgment is reversed or vacated following any appeal taken therefrom, then within ten (10) business days after written notification of such event is received by Lead Counsel, the Settlement Fund (including accrued interest), including the Settlement Amount, plus the Class Notice and Administration Fund (including accrued interest), and the Net Settlement Fund, and all payments disbursed, including all expenses, costs, and any Fee and Expense Award and any Plaintiffs' time and expense allocations – excluding only administration costs which have already been incurred – shall be refunded by the Escrow Agent to Defendant BlackBerry or to other parties at the BlackBerry's direction.

7.4 In the event that the Settlement is not approved by the Court or is terminated or fails to become effective in accordance with its terms, the Settling Parties shall be restored to their respective positions in the Action as of April 6, 2022. In such event, the terms and provisions of the Stipulation and any document executed pursuant to or in furtherance of the Stipulation or the Settlement, with the exception of ¶¶ 2.11, 7.3-7.5, and 8.4, shall have no further force and effect with respect to the Settling Parties and shall not be used in this Action or in any other proceeding for any purpose, and any order entered by the Court in accordance with the terms of the Stipulation shall be treated as vacated, *nunc pro tunc*.

7.5 If the Effective Date does not occur, or if the Stipulation is terminated pursuant to its terms, neither Plaintiffs nor Plaintiffs' Counsel shall have any obligation to repay any amounts disbursed from the Class Notice and Administration Fund. In addition, any expenses already incurred and properly chargeable to the Class Notice and Administration Fund pursuant to ¶ 2.10 of this Stipulation at the time of such termination or cancellation, but which have not been paid, shall be paid by the Escrow Agent in accordance with the terms of the Stipulation prior to the balance being refunded in accordance with ¶¶ 2.10 and 7.3 of this Stipulation.

7.6 Simultaneously herewith, the Settling Parties, by and through their respective counsel, are executing a Supplemental Agreement, which shall remain confidential unless otherwise ordered by the Court, which gives Defendant BlackBerry the right, but not the obligation, to terminate the Settlement in the event that a certain portion of the Class delivers timely and valid requests for exclusion from the Class (the "Supplemental Agreement"). The Supplemental Agreement shall be made available for *in camera* review upon the Court's request.

VIII. MISCELLANEOUS PROVISIONS

8.1 The Settling Parties acknowledge that it is their intent to consummate this Settlement; and agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of the Stipulation and to exercise their reasonable best efforts to accomplish the terms and conditions of the Stipulation.

8.2 Subject to the terms of this Stipulation, the Settling Parties intend this Settlement to be a full and complete resolution of all disputes that Plaintiffs and the Class have with the Released Defendant Parties, and that Defendant BlackBerry has with the Released Plaintiffs' Parties, with respect to the Released Claims and the Released Defendant Claims, respectively. The Settlement comprises claims which are contested and shall not be deemed an admission by any Plaintiff or Defendant as to the merits of any claim or defense.

8.3 The Judgment will contain a statement that during the course of the Action, Plaintiffs, Defendant BlackBerry, the Individual Defendants, and their respective counsel, at all times complied with the requirements of Federal Rule of Civil Procedure 11. In addition, Plaintiffs and the Class will not make applications against the Released Defendant Parties, and Defendant BlackBerry will not make applications against the Released Plaintiffs' Parties for fees, costs, or sanctions, pursuant to Rule 11, Rule 37, Rule 45 or any other court rule or statute, with respect to any claims or defenses in this Action or to any aspect of the institution, prosecution, or defense of the Action. While denying any wrongdoing and/or liability, Defendant BlackBerry agrees that the amount paid to the Settlement Fund and the other terms of the Settlement were negotiated in good faith by the Settling Parties and reflect a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties agree to refrain from making disparaging statements about the other in any press release, statements to the media, or other public communications (including statements made in court filings or in court) relating to the Settlement, including the claims to be released pursuant to the Settlement, including prior to the Effective Date. Nothing in this paragraph shall limit Defendant BlackBerry's ability to continue to publicly state that it denies wrongdoing as well as any liability for the claims made against Defendant BlackBerry.

8.4 Neither the Stipulation, nor the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them: (a) is or may be deemed to be or may be used as, an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of the Released Defendant Parties; or (b) is, or may be deemed to be or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Defendant Parties

in any civil, criminal, administrative, or other proceeding before any court, administrative agency, arbitration tribunal, or other body. Any of the Released Defendant Parties may file the Stipulation and/or the Judgment in any action or other proceeding that may be brought against them in order to support a defense, argument, or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or similar defense, argument, or counterclaim.

8.5 All agreements and orders entered during the course of the Action relating to the confidentiality of information shall survive this Stipulation, pursuant to their terms.

8.6 All of the Exhibits to the Stipulation are material and integral parts hereof and are fully incorporated herein by reference. In the event there exists a conflict or inconsistency between the terms of the Stipulation, on the one hand, and any Exhibit on the other, the terms of this Stipulation shall govern.

8.7 The Stipulation may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

8.8 The Stipulation and the executed or so ordered versions of those ancillary documents which are attached hereto as Exhibits constitute the entire agreement among the Settling Parties and no representations, warranties or inducements have been made to any party concerning the Stipulation or its Exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. Except as otherwise provided herein, Plaintiffs shall not be responsible for any costs borne by Defendant BlackBerry or their counsel, and BlackBerry shall not be responsible for any costs borne by Plaintiffs or their counsel.

8.9 Lead Counsel, on behalf of the Class, are expressly authorized by Plaintiffs to take all appropriate action required or permitted to be taken by the Class pursuant to the Stipulation to

effectuate its terms and are also expressly authorized to enter into any modifications or amendments to the Stipulation on behalf of the Class which Lead Counsel deem appropriate.

8.10 Each counsel or other Person executing the Stipulation or any of its Exhibits on behalf of any party hereto hereby warrants that such Person has the full authority to do so.

8.11 The Stipulation may be executed by electronic signature, in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

8.12 The Stipulation shall be binding upon, and inure to the benefit of, the successors and assigns of the Released Defendant Parties and the Released Plaintiffs' Parties.

8.13 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Stipulation, and all Settling Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement. The Settling Parties agree that any action based on this Stipulation or to enforce any of its terms shall be brought in this Court.

8.14 Plaintiffs and Lead Counsel represent and warrant that none of Plaintiffs' claims or causes of action in the Action have been assigned, encumbered, or in any manner transferred in whole or in part.

8.15 All terms of this Stipulation and the executed or so ordered versions of those ancillary documents which are attached hereto as Exhibits shall be governed by and interpreted according to the substantive laws of the State of New York, without giving regard or effect to its choice-of-law rules, except to the extent that federal law requires the application of federal law.

8.16 The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

8.17 The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation. Unless otherwise stated herein, any breach of any provision of this Stipulation by any Party hereto shall not constitute grounds for rescission of this Stipulation but shall constitute grounds only for a claim for specific performance for breach of this Stipulation.

IN WITNESS THEREOF, the Settling Parties hereto have caused the Stipulation to be executed effective this 7th day of June 2022.

Case No. 1:13-CV-7060-CM

EXHIBIT A

**[PROPOSED] ORDER PRELIMINARILY APPROVING SETTLEMENT
AND PROVIDING FOR NOTICE OF SETTLEMENT**

This Court, having reviewed and considered the Settling Parties’ Stipulation of Settlement dated June 7, 2022, and Plaintiffs’ motion for an order preliminarily approving the Settlement, **ORDERS:**

1. The Court preliminarily approves the Stipulation and the Settlement, subject to further consideration at the Settlement Hearing described below.
2. Pursuant to Rules 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure, the Court has previously certified a Class consisting of all those who purchased or otherwise acquired the common stock of BlackBerry Limited (“BlackBerry” or the “Company”) on the NASDAQ (ticker symbol “BBRY”) during the period from March 28, 2013, through and including September 20, 2013 (the “Class Period”), and were damaged thereby, excluding any Person who purchased BlackBerry common stock from March 28, 2013 through April 10, 2013 and who sold all of their position prior to April 11, 2013, and excluding Defendants, officers, and directors of BlackBerry,

members of their immediate families and their legal representative, heirs, successors, or assigns, and any entity in which Defendants have or had a controlling interest. The Court also approved Lead Plaintiffs Todd Cox and Mary Dinzik as Class Representatives and Kahn Swick & Foti, LLC (“Lead Counsel”) and Brower Piven, A Professional Corporation, as Co-Class Counsel.

3. The Settlement Hearing shall be held before this Court on September 29, 2022, at _____, before the Honorable Colleen McMahon, in Courtroom 24A of the Daniel Patrick Moynihan U.S. Courthouse at 500 Pearl Street, New York, NY 10007, to determine whether the proposed Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Class and should be approved by the Court; whether a Judgment as provided in the Stipulation and its Exhibit B, which, *inter alia*, dismisses the Action in its entirety with prejudice and contains releases, should be entered; whether the proposed Plan of Allocation should be approved; and to determine the amount of reasonable fees, costs, and expenses, if any, that should be awarded to Plaintiffs’ Counsel. The Court may determine that such hearing should be conducted remotely, by Order publicly available on PACER.

5. The Court approves, as to form and content, the Notice of Proposed Class Action Settlement (the “Notice”), the Proof of Claim and Release form (the “Claim Form”), the Summary Notice (the “Revised Summary Notice”), and the Postcard Notice (the “Postcard Notice”), included respectively as Exhibits A-1, A-2, A- 3, and A-4 to the Stipulation, and finds that the mailing and email distribution of the Postcard Notice and publishing of the Summary Notice substantially in the manner and form set forth therein meet the requirements of Federal Rule of Civil Procedure 23 and due process, and constitute the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

6. The Court further reserves the right to enter a Final Judgment and Order of

Dismissal with Prejudice that approves the Settlement and dismisses the Action on the merits and with prejudice regardless of whether the Court has approved the Plan of Allocation or awarded attorneys' fees and expenses or Class Representatives' time and expenses.

7. The Court appoints JND Legal Administration ("Claims Administrator" or "JND") to supervise and administer the notice procedure as well as the processing of claims as more fully set forth below:

(a) Not later than 14 days after entry of this order (the "Notice Date"), Lead Counsel shall cause a link to the Summary Notice and the Claim Form, substantially in the forms annexed as Exhibits A-3 and A-2 hereto and hosted on a website maintained by the Claims Administrator, to be emailed to all Class Members whose last-known email addresses can be identified with reasonable effort. Where a last-known email address is not reasonably available or where an email is returned as being undeliverable, Lead Counsel shall cause a copy of the Postcard Notice (substantially in form annexed as Exhibit A-4 hereto) providing an address, phone number and website address where Class Members can obtain the Notice and Claim Form, advising them of their right to exclude themselves or to opt out, and of the date and time for the Settlement Hearing to be mailed by first class mail to all Class Members who can be identified with reasonable effort.

(b) Not later than 21 days after the issuance of this Order, Lead Counsel shall cause the Summary Notice to be published twice in nationally distributed, business-focused newswires, and not later than 21 days after the issuance of this Order, Lead Counsel shall place a copy of the Complaint and the Stipulation (including Exhibits) on the Settlement website maintained by the Claims Administrator.

(c) Not later than 30 days after the issuance of this Order, Lead Counsel shall

cause to be served on Defendants' counsel and filed with the Court proof, by affidavit or declaration, of the mailing and publishing described above.

(d) Not later than 7 days prior to the Settlement Hearing, Lead Counsel shall cause the Claims Administrator to submit a report outlining the implementation of the Notice, including how many Notices were sent, how many Claim Forms were submitted, how many Claim Forms were approved, how many Claim Forms were rejected, and the total dollar amount of approved Claim Forms to-date.

8. Nominees who purchased or otherwise acquired common stock of BlackBerry on the NASDAQ for the benefit of Class Members between March 28, 2013 and September 20, 2013 inclusive, shall send the Notice and Claim Form to all such Class Members within ten (10) days after receipt of the Notice or send a list of the names and addresses of such beneficiaries to the Claims Administrator within ten (10) days of receipt of the Notice. Lead Counsel shall, if requested, reimburse, out of the Class Notice and Administration Fund, banks, brokerage houses or other nominees solely for their reasonable, documented out-of-pocket expenses incurred in providing notice to beneficiaries who are Class Members up to \$0.05 for providing names, addresses and email addresses to the Claims Administrator; up to a maximum of \$0.05 per Postcard Notice mailed by nominees, plus postage at the rate used by the Claims Administrator; or \$0.05 per notice sent by email.

14. Any Class Member who does not make a written objection in the manner provided and/or appear in person or through a representative at the Settlement Hearing shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness or adequacy of the Settlement, to the Plan of Allocation, or to any award of attorneys' fees and expenses.

15. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court and shall remain subject to the jurisdiction of the Court, until such time

18. All reasonable expenses incurred in identifying and notifying Class Members, as well as administering the Settlement Fund, shall be paid as set forth in the Stipulation. In the event the Settlement is not approved by the Court, or otherwise fails to become effective, neither Plaintiffs nor Co-Class Counsel shall have any obligation to repay any amounts actually and properly disbursed from the Class Notice and Administration Fund.

19. Neither this Order, the Stipulation, the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them, shall be construed as an admission or concession by any Settling Party of the truth of any of the allegations in the Action, or of any liability, fault, or wrongdoing of any kind and shall not be construed as, or deemed to be evidence of, or an admission or concession that, Plaintiffs or any Class Members have suffered any damages, harm, or loss.

20. In the event that the Settlement does not become Final in accordance with the Stipulation or the Effective Date does not occur, this Order shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated. In such event, all

orders entered and releases delivered in connection herewith shall also be null and void to the extent provided by and in accordance with the Stipulation.

21. The Court reserves the right to continue the Settlement Hearing without further notice to the Class Members and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Released Parties, if appropriate, without further notice to the Class.

Plaintiff,

vs.

BLACKBERRY LIMITED (formerly known as
RESEARCH IN MOTION LIMITED),
THORSTEN HEINS, BRIAN BIDULKA,
and STEVE ZIPPERSTEIN,

Defendants.

Case No. 1:13-CV-7060-CM

**NOTICE OF PROPOSED
SETTLEMENT**

EXHIBIT A-1

**NOTICE OF PROPOSED SETTLEMENT,
MOTION FOR ATTORNEYS' FEES AND SETTLEMENT HEARING**

If you purchased or otherwise acquired BlackBerry Limited common stock on the NASDAQ (ticker symbol "BBRY") between March 28, 2013 and September 20, 2013, inclusive, you could get a payment from a class action settlement.¹

A federal court authorized this Notice. This is not a solicitation from a lawyer.

- The Settlement resolves a federal class action lawsuit alleging that BlackBerry Limited ("BlackBerry" or the "Company") and certain of its officers and directors violated the Securities Exchange Act of 1934 (the "Exchange Act"), and Rule 10b-5 promulgated thereunder, by making materially false and misleading statements and omissions concerning BlackBerry's then-new BlackBerry 10 smartphones ("BB10s"), and the sufficiency of its accounting and public disclosures concerning the same, that maintained the price of BlackBerry's stock or otherwise prevented it from falling over the course of the Class Period.
- Defendants (as defined below) deny Plaintiffs' allegations. The Parties disagree on, among other things, whether Defendants violated any federal securities laws and whether the alleged violations actually caused any damages to the Class Members.
- The federal court has certified a Class consisting of all persons who purchased or otherwise acquired the common stock of BlackBerry Limited on the NASDAQ (ticker symbol "BBRY") in a Covered Transaction between March 28, 2013 and September 20, 2013 (the "Class Period"), and were damaged thereby, excluding any Person who purchased BlackBerry common stock from March 28, 2013 through April 10, 2013 and who sold all of their position prior to April 11, 2013, and excluding Defendants, officers, and directors of Defendants, members of their immediate families and their legal representative, heirs, successors, or assigns, and any entity in which Defendants have or had a controlling interest. "Covered Transaction" means: (i) a purchase of BlackBerry common stock in the United States; or (ii) a purchase of BlackBerry common stock on the NASDAQ stock exchange.
- The Settlement will provide a \$165,000,000 cash Settlement Fund for the benefit of Class Members who purchased or otherwise acquired BlackBerry common stock between March 28, 2013, and September 20, 2013, inclusive. The average recovery per damaged share of BlackBerry common stock under the Settlement is \$0.38 before deduction of fees and expenses. Your recovery from the Settlement Fund, however, will depend on a number of variables, including the number of shares of BlackBerry common stock you purchased during the Class Period, the timing of your purchases and any sales, and the number and amount of claims actually filed.

¹ All capitalized terms not otherwise defined in this document shall have the meaning provided in the Stipulation of Settlement, dated June 7, 2022.

- The Court-appointed Class Representatives are Todd Cox and Mary Dinzik (“Lead Plaintiffs” or “Plaintiffs”). The Defendants are BlackBerry and Thorsten Heins, Brian Bidulka, and Steve Zipperstein (the “Individual Defendants”) (collectively, “Defendants”). The settling Defendant is BlackBerry.
- All claims against all Defendants will be dismissed upon the Effective Date of the Settlement.
- Your legal rights are affected whether you act or do not act. Read this Notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
SUBMIT A CLAIM FORM BY _____	The only way to get a payment in this Settlement.
EXCLUDE YOURSELF FROM THE SETTLEMENT BY SUBMITTING AN OPT-OUT FORM BY _____	Get no payment pursuant to this Settlement. This is the only option that allows you to be a part of any other lawsuit against the Defendants and their affiliates involving the claims released by this Settlement. Please note that if you exclude yourself from the Class and decide to pursue your own action individually, you may not be able to pursue certain claims due to the lapsing of certain applicable statutes of repose.
OBJECT BY _____	Write a letter to the Court objecting to the Settlement. You must still file a claim if you want to receive payment from the Settlement.
GO TO A HEARING ON _____	Ask to speak in Court about the Settlement.
DO NOTHING	Get no payment from this Settlement. You will also be giving up your rights regarding all claims released by this Settlement and any other lawsuit as to the common stock.

- These rights and options – **and the deadlines to exercise them** – are explained in this Notice.
- The Court in charge of this case still must decide whether to approve the Settlement. Payments will be made if the Court approves the Settlement and after any appeals by Class Members are resolved.

SUMMARY OF THIS NOTICE

Statement of Class Recovery Under the Settlement

Pursuant to the Settlement described herein, a \$165,000,000 cash Settlement Fund has been established. Plaintiffs estimate that there were approximately 437.5 million BlackBerry common stock shares traded on the NASDAQ during the Class Period that may have been damaged. Plaintiffs estimate that the average recovery per damaged share of BlackBerry common stock under the Settlement is approximately \$0.38 before deduction of fees and expenses. A Class Member's actual recovery will be a proportion of the Net Settlement Fund (defined below), determined by that Claimant's recognized loss (*i.e.*, a claim proved by timely submission of a valid Proof of Claim and Release form) as compared to the total recognized losses of all Class Members. This proportional allocation is called "proration." See the Plan of Allocation beginning on Page 12 for more information.

Statement of Claims, Issues, Defenses, and Potential Outcome of Case

Plaintiffs allege that Defendants violated Section 10(b) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, by making materially false and misleading statements and omissions regarding the poor customer acceptance, high returns, sales and demand for the BB10s and the sufficiency of BlackBerry's accounting and public disclosures concerning the same.

Plaintiffs filed a First Consolidated Amended Class Action Complaint (the "FAC") on June 2, 2014, asserting claims against BlackBerry, Thorsten Heins, and Brian Bidulka. On July 29, 2014, BlackBerry, Thorsten Heins, and Brian Bidulka moved to dismiss the FAC, arguing that Plaintiffs did not adequately allege any valid claim under the federal securities laws. On March 13, 2015, the Honorable Judge Thomas P. Griesa granted the Motion to Dismiss and judgment was entered dismissing the FAC on March 17, 2015. On March 31, 2015, Plaintiffs moved for reconsideration of Judge Griesa's decision dismissing the FAC. On November 13, 2015, Judge Griesa denied Plaintiffs' motion for reconsideration. Plaintiffs appealed Judge Griesa's Orders to the United States Court of Appeals for the Second Circuit, which ultimately remanded the case to Judge Griesa for further proceedings.

Plaintiffs filed a Second Consolidated Amended Class Action Complaint (the "SAC") on September 29, 2017, asserting claims against BlackBerry, Thorsten Heins, Brian Bidulka, and Steve Zipperstein. On November 20, 2017, BlackBerry, Thorsten Heins, and Brian Bidulka moved to dismiss the SAC, again arguing that Plaintiffs did not adequately allege any valid claim under the federal securities laws. On December 1, 2017, Steve Zipperstein moved to dismiss the SAC, arguing that Plaintiffs did not adequately allege any valid claim against him under the federal securities laws and that the statute of limitations barred the claims against him. On December 13, 2017 the case was reassigned to the Honorable Judge Colleen McMahon. On March 19, 2018, the Court denied Defendants' Motions to Dismiss the SAC.

On June 8, 2020, Plaintiffs filed a Motion for Class Certification. The Court entered an Order certifying a Class on January 26, 2021. On September 10, 2021, the Court granted Plaintiffs'

Unopposed Motion for Approval of Notice of Pendency of Class Action and the approved Notice was distributed to Class Members on October 8, 2021.

Throughout the course of the litigation, Defendants produced approximately 11.5 million pages of documents, which were reviewed and analyzed by Plaintiffs. The Parties conducted approximately 36 depositions. The Parties presented a number of discovery disputes to Magistrate Judge Katharine H. Parker, who held conferences to resolve a variety of legal issues, including privilege log issues, redaction issues, and issues regarding the use and sufficiency of a validation protocol. The Parties collectively exchanged 7 expert reports on issues related to Class Certification and 10 expert reports on merits issues.

On April 19, 2021, Defendants moved for summary judgment. The Court denied Defendants' summary judgment motion in substantial part on January 3, 2022.

The Court held its Final Pre-Trial Conference on March 14, 2022. On April 6, 2022, one day before jury selection was scheduled to take place on April 7, 2022, a mediator's proposal was accepted by all Parties.

Had the case gone to trial, Defendants would have asserted a myriad of factual and legal defenses, including their argument that BlackBerry and the Individual Defendants fully complied with the federal securities laws and did not make any materially untrue or misleading statements or omissions. Defendants would also have contested: (1) the measure and amount of recoverable damages, if any; (2) the extent to which the statements that Plaintiffs alleged as materially false or misleading influenced (if at all) the trading prices of BlackBerry common stock during the relevant time period; and (3) whether any of them acted with scienter.

Furthermore, to the extent Plaintiffs succeeded on any claims, Defendants could have appealed, which could have resulted in additional years of litigation with no certainty as to outcome. Thus, had this Action continued, Plaintiffs and the Class would have faced the possibility of obtaining no recovery. This Settlement enables the Class to promptly recover a meaningful percentage of the alleged damages as calculated by Plaintiffs' Counsel in conjunction with their economic consultant, without incurring any additional risk. As a result, Plaintiffs and Plaintiffs' Counsel believe this Settlement is a fair, reasonable, and adequate recovery.

The Parties disagree on the amount of damages, if any, which would have been recoverable had Plaintiffs prevailed on any of their claims in this Action. Plaintiffs contend that the misrepresentations and omissions alleged in the Complaint were the direct cause of the artificial elevation and eventual decline in the price of BlackBerry's common stock and caused Plaintiffs and the Class to be damaged. Plaintiffs further contend that the alleged stock decline is fully attributable to the alleged misrepresentations and omissions set forth in the Complaint. Defendants contend that they made no misrepresentations or omissions and that the alleged misrepresentations and/or omissions set forth in the Complaint did not cause a decline in BlackBerry's common stock and, therefore, Plaintiffs and the Class are not entitled to any recovery.

Statement of Attorneys' Fees and Costs Sought

Lead Counsel will move the Court to award (1) attorneys' fees in an amount not greater than one-third (33 1/3%) of the gross Settlement Fund, and (2) reimbursement of expenses incurred in connection with the prosecution of this Action not to exceed \$4,500,000. The requested fees and expenses, which will be paid out of the gross Settlement Fund, would amount to an average of not more than \$0.14 per damaged share in total for fees and expenses for BlackBerry common stock shares. *See* Questions 8-11 below for more information. Class Members are not personally liable for any such fees, expenses, or compensation.

Further Information

Further information regarding the Action and this Notice of Pendency of Class Action and Proposed Settlement, Motion for Attorneys' Fees and Settlement Hearing (the "Notice") may be obtained by contacting Lead Counsel: Lewis S. Kahn, Esq., Kahn Swick & Foti, LLC, 1100 Poydras Street, Suite 3200, New Orleans, Louisiana 70163, Telephone: 504-455-1400.

Reasons for the Settlement

For Plaintiffs, the principal reason for the Settlement is the benefit to be provided to the Class at this time, compared to the risk that no recovery might be achieved after a contested trial and likely appeals, possibly years into the future. Plaintiffs further considered, after conducting a substantial investigation into the facts of the case, including the review and analysis of approximately 12 million pages of documents and taking the depositions of dozens of fact and expert witnesses, the risks to proving liability and damages and to sustaining a certified class through trial. For Defendant BlackBerry, which denies all allegations of wrongdoing or liability, the principal reason for the Settlement is to eliminate the expense, risks, and uncertain outcome of the litigation.

HOW YOU GET A PAYMENT—SUBMITTING A PROOF OF CLAIM FORM

1. How can I get a payment?

To qualify for a payment, you must send in a Proof of Claim and Release form ("Claim Form"). A Claim Form is being circulated with this Notice. You may also get a Claim Form on the Internet at www.BlackBerryUSSecuritiesLitigation.com. Read the instructions carefully, fill out the Claim Form, include all the documents the form asks for, sign it, and mail it postmarked no later than _____.

2. When would I get my payment?

The Court will hold a hearing on _____, to decide whether to approve the Settlement. If the Court approves the Settlement, after that, there may be appeals by Class Members. Resolving appeals can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed.

3. What am I giving up to get a payment?

Unless you specifically exclude yourself, you will be treated as a member of this Class Action. This means that upon the Effective Date, you will relinquish all Released Claims against the Released Defendant Parties. These terms are defined below:

“Released Claims” means all claims (including but not limited to Unknown Claims), demands, losses, rights, liabilities, suits, debts, obligations, damages, judgments, matters, issues, and causes of action of any nature and description whatsoever, in law, equity, or otherwise, whether accrued or unaccrued, fixed or contingent, liquidated or unliquidated, direct or indirect, known or unknown, whether arising under federal, state, local, statutory, common law, foreign law, or any other law, rule, or regulation, whether class and/or individual in nature that have been or could have been asserted in the Action or could in the future be asserted in any forum, whether foreign or domestic, by Plaintiffs, any member of the Class, or their successors, assigns, executors, administrators, representatives, attorneys and agents, whether brought directly, indirectly, or derivatively against any of the Released Defendant Parties, which arise out of, are based on, or relate in any way to, directly or indirectly, any of the allegations, acts, transactions, facts, events, matters, occurrences, disclosures, statements, filings, events, representations or omissions involved, set forth, alleged or referred to in the Action, or which could have been alleged in the Action, including but not limited to the allegations, transactions, facts, matters, occurrences, disclosures, statements, filings, representations, events, or omissions that Plaintiffs or any other Class Member asserted in the Complaint, and which arise out of, are based upon, or relate in any way, directly or indirectly, to the purchase, acquisition, transfer, holding, ownership, disposition or sale of BlackBerry common stock, by any members of the Class during the Class Period, and/or any disclosures, public filings, registration statements, or other statements by BlackBerry or any Defendant based upon or arising out of any facts, matters, allegations, transactions, events, disclosures, statements, acts or omissions that were asserted or could have been asserted in this Action or in any other action or forum, whether arising under federal, state, common or foreign law.

“Released Defendant Parties” means Defendant BlackBerry, its past, present and future direct and indirect parent entities, parent corporations, sister corporations, subsidiaries, related entities and affiliates, and, as applicable, their respective past and present general partners, limited partners, principals, shareholders, investors (however denominated), joint ventures, members, officers, (including the Individual Defendants), directors, managers, managing directors, supervisors, employees, contractors, servants, consultants, auditors, accountants, financial advisors, professional advisors, investment bankers, representatives, insurers, trustees, trustors, agents, attorneys, legal representatives, professionals, predecessors, successors, assigns, assignors, legatees, devisees, estates, settlors, beneficiaries, heirs, executors, successors-in-interest, administrators, and any controlling person thereof.

The “Effective Date” will occur when an order entered by the Court approving the

Settlement becomes final and not subject to appeal.

If you remain a Member of the Class, all of the Court’s orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, but you want to keep any right you may have to sue or continue to sue the Defendants and the other Released Defendant Parties in some other lawsuit as to the Released Claims in this lawsuit, then you must take steps to remove yourself from this lawsuit. **If you exclude yourself from the Class and decide to pursue your own action individually, you may not be able to pursue certain claims due to the expiration of certain applicable statutes of repose. You may wish to consult with your own counsel before excluding yourself or “opting out” of the Settlement.** If more than a certain percentage of Class Members opt out or exclude themselves from the Settlement, Defendant BlackBerry may withdraw from and terminate the Settlement.

4. How do I exclude myself from the proposed settlement?

To exclude yourself from the Settlement, you must send a signed letter by mail stating that you “request exclusion from the Class in *Pearlstein, et al. v. BlackBerry Limited, et al.*, Civil Action No. 1:13-cv-7060.” Your letter should state the date(s), price(s), and number of shares of all your purchases and sales of BlackBerry common stock in Covered Transactions during the Class Period. In addition, be sure to include your name, address, telephone number, and signature. You must mail your exclusion request so that it is received no later than _____ to:

P.O. Box 91399
Seattle, WA 98111
(by regular or express mail)

(by express delivery service)

You cannot exclude yourself by telephone or by email. If you ask to be excluded, you will not get any Settlement payment and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue (or continue to sue) Defendant BlackBerry and the other Released Defendant Parties in the future. If you exclude yourself, do not send in a Claim Form to ask for any money.

5. If I do not exclude myself from the Settlement, can I sue BlackBerry and the other Released Defendant Parties later for the same alleged conduct?

No. Unless you exclude yourself, you give up any rights to sue Defendant BlackBerry and the other Released Defendant Parties for any and all Released Claims. **If you exclude yourself from the Class, you may not be able to pursue certain claims due to the expiration of certain applicable statutes of repose.** Remember, the exclusion deadline is _____.

6. If I exclude myself from the Settlement, can I get money from the proposed settlement?

No.

IF YOU DO NOTHING

7. What happens if I do nothing?

The judgment of the Court will be binding upon you if you do nothing. You will get no money from this Settlement and you will be precluded from starting a lawsuit, continuing with a lawsuit, or being part of any other lawsuit against Defendant BlackBerry and the other Released Defendant Parties about the Released Claims in this case, ever again. To share in the Net Settlement Fund, you must submit a Claim Form (*see* Question 1). To start, continue, or be a part of any other lawsuit against Defendant BlackBerry and the other Released Defendant Parties about the Released Claims in this case, you must exclude yourself from this Class (*see* Question 4).

THE LAWYERS REPRESENTING CLASS MEMBERS

8. Do I have a lawyer in this case?

The Court ordered that Lead Counsel Kahn Swick & Foti, LLC (“KSF”) and Brower Piven, A Professional Corporation (“Brower Piven”) represent all Class Members. The Court also approved Beck Redden LLP (“Beck Redden”) to serve the Class as Additional Trial Counsel. Collectively, these firms are called Plaintiffs’ Counsel. You will not be separately charged for these lawyers. The Court will determine the amount of Plaintiffs’ Counsel’s fees and expenses, which will be paid from the gross Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

9. How will Lead Counsel and Plaintiffs’ Counsel be paid?

Lead Counsel will move the Court to award Plaintiffs’ Counsel’s attorneys’ fees from the gross Settlement Fund in a total amount not greater than one-third (33 1/3%) of the gross Settlement Fund. Lead Counsel also will move the Court to award Plaintiffs’ Counsel reimbursement of their expenses in an amount no greater than \$4,500,000, plus interest. Lead Counsel also intends to request the Court grant awards to each of the Lead Plaintiffs, in accordance with 15 U.S.C. § 78u-4(a)(4), not to exceed \$125,000 each, as reimbursement for their time and expenses in overseeing the prosecution of this Action. Lead Counsel KSF has entered into fee and work sharing agreements with Brower Piven and Beck Redden, and Lead Counsel intends to share part of any attorneys’ fees awarded by the Court with Brower Piven and Beck Redden in accordance with those firms’ efforts in this litigation that were undertaken at the specific direction of Lead Counsel. All of these amounts will be paid out of the gross Settlement Fund.

10. How will the notice costs and expenses be paid?

Lead Counsel is authorized by the Stipulation to pay the Claims Administrator’s fees and

expenses incurred in connection with giving notice, administering the settlement, and distributing the settlement proceeds to the members of the Class. The Claims Administrator's fees and expenses will be paid out of the gross Settlement Fund. The Claims Administrator was selected through a competitive bidding process and multiple bids were reviewed and considered.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or some part of it.

11. How do I object to the Settlement?

If you are a Class Member, you can object to the Settlement or any of its terms, the proposed Plan of Allocation, and/or the application by Lead Counsel for an award of fees and expenses. You may write to the Court setting out your objection(s). You should state reasons why you think the Court should not approve any or all of the settlement terms or arrangements.

You must object in writing by sending a signed letter stating that you object to the proposed settlement in *Pearlstein, et al. v. BlackBerry Limited, et al.*, Civil Action No. 1:13-cv-7060 (S.D.N.Y.). Your objection must include a cover page identifying this case name and number and naming the hearing date of ____, at ____ in Courtroom 24A of the Daniel Patrick Moynihan U.S. Courthouse at 500 Pearl Street, New York, NY 10007. Be sure to include your name, address, telephone number, and signature; identify the date(s), price(s), and number of shares of all purchases and sales of BlackBerry common stock you made on the NASDAQ during the Class Period and state the reasons why you object to the Settlement. Your objection must be postmarked on or before _____ to the Court; Kahn Swick & Foti, LLC, on behalf of the Plaintiffs; and Counsel for the Defendants at the following addresses:

You do not need to go to the Settlement Hearing to have your written objection considered by the Court.

At the Settlement Hearing, any Class Member who has not previously submitted a request for exclusion from the Class may appear and be heard, to the extent allowed by the Court, to state any objection to the settlement, the Plan of Allocation, or Lead Counsel's motion for an award of attorneys' fees and reimbursement of expenses. Any such objector may appear in person or arrange, at that objector's expense, for a lawyer to represent the objector at the Settlement Hearing. If you or your representative intend to appear in person but have not submitted a written objection postmarked by _____, it is recommended that you give advance notice to Lead Counsel and/or counsel for Defendants of your intention to attend the hearing in order to object and the basis for your objection. You may contact them at the addresses provided above.

12. What is the difference between objecting to the Settlement and excluding myself from the Settlement?

Objecting is simply telling the Court that you do not like something about the proposed settlement. You can object only if you remain in the Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed settlement. You may attend and you may ask to speak, but you do not have to.

13. When and where will the Court decide whether to approve the proposed settlement?

The Court will hold a Settlement Hearing on _____, at _____ in Courtroom 24A of the Daniel Patrick Moynihan U.S. Courthouse at 500 Pearl Street, New York, NY 10007. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. At the Settlement Hearing, the Court also will consider the proposed Plan of Allocation for the proceeds of the Settlement and the application of Lead Counsel for attorneys' fees and reimbursement of expenses. The Court will take into consideration any written objections mailed in accordance with the instructions in the answer to Question 11. The Court also will listen to people who seek to speak at the hearing, but decisions regarding the conduct of the hearing will be made by the Court. See Question 11 for more information about speaking at the hearing. The Court will also decide how much to pay to Plaintiffs' Counsel. After the hearing, the Court will decide whether to approve

the settlement. We do not know how long these decisions will take.

You should be aware that the Court may change the date and time of the Settlement Hearing. The Court may also order the hearing to be held remotely. Thus, if you want to come to the hearing, you should check with Lead Counsel before coming to be sure that the date and/or time has not changed.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

This Plan of Allocation has been prepared by Plaintiffs and Lead Counsel with the assistance of their economics consultant. Defendants dispute that any damages were suffered by any Members of the Class.

The \$165,000,000 cash Settlement Amount and the interest earned thereon shall be the gross Settlement Fund. The gross Settlement Fund, less all taxes and approved costs, fees, and expenses (the “Net Settlement Fund”) shall be distributed to Members of the Class who submit acceptable Claim Forms (“Authorized Claimants”).

The Claims Administrator shall determine each Authorized Claimant’s *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant’s recognized loss. The recognized loss formula is not intended to be an estimate of the amount a Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the settlement. The recognized loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants.

The following proposed Plan of Allocation reflects the allegations in the Second Amended Consolidated Class Action Complaint (the “SAC”) that Defendants made materially false and misleading statements and omissions regarding the poor customer acceptance, high returns, sales and demand for the BB10s and the sufficiency of BlackBerry’s accounting and public disclosures concerning the same. The SAC alleges that these misrepresentations resulted in the artificial inflation of the prices of the Company’s common stock during the Class Period from March 28, 2013 through September 20, 2013, inclusive. Defendants deny that they did anything wrong.

Each Authorized Claimant shall be paid based on the percentage of the Net Settlement Fund that each Authorized Claimant’s recognized loss bears to the total of the recognized losses of all Authorized Claimants (the “Pro Rata Share”).

Shares eligible for recognizable losses are those shares of BlackBerry’s common stock purchased or otherwise acquired in Covered Transactions from March 28, 2013 through September 20, 2013, inclusive.

“Covered Transaction” means either: (i) a transaction in BlackBerry common stock in the United States; or (ii) a transaction in BlackBerry common stock on the NASDAQ stock exchange.

PLAN OF ALLOCATION

1. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Class Members who suffered economic losses as a result of the alleged violations of the federal securities laws as opposed to losses caused by market or industry factors or company-specific factors unrelated to the alleged violations of law. The Plan of Allocation reflects the allegations of the SAC and the advice of Plaintiffs’ damages expert, including a review of publicly available information regarding BlackBerry and statistical analysis of the price movements of BlackBerry common stock and the price performance of relevant market and peer indices during the Class Period. The Plan of Allocation, however, is not a formal damages analysis.

2. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the cash in the Net Settlement Fund to Authorized Claimants.

3. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of the security. In this case, Plaintiffs allege that Defendants made false statements and omitted material facts from March 28, 2013 through September 20, 2013, inclusive, that inflated the price of BlackBerry common stock. Plaintiffs argue that multiple corrective disclosures released to the market between April 11, 2013 and September 20, 2013 revealed the allegedly misrepresented information, impacted the market price of BlackBerry common stock, and partially removed alleged artificial inflation from the BlackBerry common stock price on April 11, 2013, June 28, 2013, and September 20, 2013.

4. Accordingly, in order to have a Recognized Loss under the Plan of Allocation, a Class Member who or which purchased or otherwise acquired BlackBerry common stock during the Class Period must have held those shares through at least one of the dates where Plaintiffs allege new corrective information was released to the market and partially removed the alleged artificial inflation from the price of BlackBerry common stock.

CALCULATION OF RECOGNIZED LOSS

5. A Recognized Loss Amount will be calculated for each share of BlackBerry common stock purchased or acquired during the Class Period from March 28, 2013, through September 20, 2013, inclusive. If the calculation of a Recognized Loss Amount for any particular share purchased or acquired during the Class Period results in a negative number, that number shall be set to zero.

6. For each share of BlackBerry common stock purchased or otherwise acquired during the Class Period, and:

- i. sold before April 11, 2013, the Recognized Loss Amount for each share shall be zero;
- ii. sold from April 11, 2013, up to and including the halt of market trading at approximately 3:00 p.m. EST on September 20, 2013, the Recognized Loss Amount for each share is *the lesser of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below **minus** the amount of artificial inflation per share on the date of sale as stated in Table 1 below; or (ii) the purchase/acquisition price **minus** the sale price;
- iii. sold from the resumption of market trading at approximately 3:36 p.m. EST on September 20, 2013 through and including the close of market trading on December 18, 2013, the Recognized Loss Amount for each share is *the least of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below; (ii) the purchase/acquisition price **minus** the average closing price between September 20, 2013 and the date of sale as

stated in Table 2 below;² or (iii) the purchase/acquisition price **minus** the sale price;

- iv. held as of the close of market trading on December 18, 2013, the Recognized Loss Amount for each share is *the lesser of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below; or (ii) the purchase/acquisition price **minus** \$7.17, the average closing price of BlackBerry common stock between September 20, 2013 and December 18, 2013, as shown on the last line of Table 2 below.

ADDITIONAL PROVISIONS

7. The sum of a Claimant's Recognized Loss Amounts will be the Claimant's "Recognized Claim."

8. If a Class Member has more than one purchase/acquisition or sale of BlackBerry common stock during the Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

9. Purchases or acquisitions of BlackBerry common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of BlackBerry common stock during the Class Period shall not be deemed a purchase, acquisition, or sale of these BlackBerry common stock shares for the calculation of an Authorized Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of such shares of BlackBerry common stock unless (i) the donor or decedent purchased or otherwise acquired such shares of BlackBerry common stock during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of BlackBerry common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

10. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the BlackBerry common stock shares. The date of a "short sale" is deemed to be the date of sale of BlackBerry common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on "short sales" and the purchases/acquisition covering "short sales" is

² Pursuant to Section 21D(e)(1) of the Exchange Act, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of BlackBerry common stock during the "90-day look-back period," September 20, 2013 through and including December 18, 2013. The mean (average) closing price for BlackBerry common stock during this 90-day look-back period was \$7.17.

zero. In the event that a Claimant has an opening short position in BlackBerry common stock, the earliest Class Period purchases or acquisitions shall be matched against such opening short position, and not be entitled to a recovery, until that short position is fully covered.

11. With respect to BlackBerry common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

12. An Authorized Claimant's Recognized Claim shall be the amount used to calculate the Authorized Claimant's *pro rata* share of the Net Settlement Fund. If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

13. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$20 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$20, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

14. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund six (6) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$20 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Lead Counsel and approved by the Court.

15. Payment pursuant to the Plan of Allocation, or such other plan as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Plaintiffs, Plaintiffs' Counsel, Plaintiffs' damages expert, or other agent designated by Lead Counsel, Defendants, Defendants' Counsel, or any other Plaintiffs' Releasees or Defendants' Releasees, or the Claims Administrator arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Plaintiffs, Defendants, and their respective counsel, and all of Plaintiffs' Releasees or Defendants' Releasees shall have no liability whatsoever for the investment or distribution of the Settlement Fund, the Plan of Allocation, the determination,

administration, calculation, or payment of any Claim or any actions taken (or not taken) by the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

16. The Plan of Allocation set forth herein is the plan that is being proposed by the Plaintiffs and Lead Counsel to the Court for approval. The Court may approve this Plan of Allocation as proposed or it may modify the Plan without further notice to the Class. Any orders regarding a modification of the Plan of Allocation will be posted to the website for this Settlement, www.BlackBerryUSSecuritiesLitigation.com.

The Lawsuit: There has been a proposed Settlement of all claims against BlackBerry Limited (“BlackBerry”) and certain of its former officers. The Settlement resolves a lawsuit in which Plaintiffs allege that, in violation of the federal securities laws, BlackBerry and certain of its former officers misled investors by making materially false and misleading statements and causing damages to Class Members. Defendants have denied, and continue to deny, any and all allegations of wrongdoing.

Who is included in the Settlement? You may be a Member of the Class if you purchased or otherwise acquired BlackBerry common stock on the NASDAQ between March 28, 2013, and September 20, 2013, inclusive.

What does the Settlement provide? The Settlement provides that, in exchange for the dismissal and release of all claims against all Defendants related to the allegations in this lawsuit, BlackBerry will pay \$165,000,000 in cash (“Settlement Fund”). The Settlement Fund, plus accrued interest, after deduction of Court-awarded attorneys’ fees and expenses, notice and administration costs, and taxes, will be allocated among Class Members who submit valid claims. If you are a Class Member, your *pro rata* share of the Settlement Fund will depend on the number of valid claims submitted, and the number, size, and timing of your transactions.

What are my rights? *File a Claim:* To be eligible to receive a payment from the Settlement, you must electronically submit or mail a valid Claim Form by _____. To download a detailed Notice and Claim Form, visit www.BlackBerryUSSecuritiesLitigation.com.

Other Important Dates: The Court will hold a Final Settlement Hearing in this case on _____, at _____, before the Hon. Colleen McMahon in Courtroom 24A of the Daniel Patrick Moynihan U.S. Courthouse at 500 Pearl Street, New York, NY 10007 to consider whether to approve the Settlement and a request for attorneys’ fees, costs, and expenses to be paid out of the Settlement Fund. You and/or your attorney may attend the hearing, but you do not have to.

Where can I get more information? For more details, including information on objecting or filing an opt-out, or to file a claim, visit the Settlement website at www.BlackBerryUSSecuritiesLitigation.com, or call the Claims Administrator at 1-888-691-2864.

Case No. 1:13-CV-7060-CM

**[PROPOSED] FINAL
JUDGMENT AND ORDER OF
DISMISSAL WITH PREJUDICE**

This matter came before the Court for hearing on the application of the Settling Parties for approval of the Settlement set forth in the Stipulation of Settlement dated June 7, 2022. Due and adequate notice having been given of the Settlement, and the Court having previously certified the Class, and having considered all papers filed and proceedings held herein, and good cause appearing,

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED:

1. This Judgment incorporates by reference the definitions in the Stipulation, and all capitalized terms used herein shall have the same meanings set forth in the Stipulation.
2. This Court has jurisdiction over the subject matter of the Action and over all Parties to the Action, including Class Members.
3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, this Court hereby approves the Settlement and finds that said Settlement is, in all respects, fair, reasonable, adequate to, and in the best interests of the Lead Plaintiffs, the Released Plaintiffs’ Parties, and each of the Class Members. This Court further finds the Settlement is the result of arm’s-length negotiations

between experienced counsel representing the interests of the Lead Plaintiffs, the Released Plaintiffs' Parties, the Class Members, and Defendant BlackBerry. Accordingly, the Settlement is hereby approved in all respects and shall be consummated in accordance with its terms and provisions. The Settling Parties are hereby directed to perform the Stipulation.

4. The Action and all claims contained therein, as well as all the Settled Claims, are dismissed with prejudice as against each and all of the Released Defendant Parties, including BlackBerry, Thorsten Heins, Brian Bidulka, and Steve Zipperstein. Lead Plaintiffs, the Released Plaintiffs' Parties, and the Class will not make applications against any of Released Defendant Parties, and Defendant BlackBerry will not make applications against the Lead Plaintiffs or the Released Plaintiffs' Parties for fees, costs, or sanctions pursuant to Rule 11, Rule 37, Rule 45 or any other court rule or statute, with respect to any claims or defenses in this Action or to any aspect of the institution, prosecution, or defense of this Action.

5. Upon the Effective Date, Lead Plaintiffs, the Released Plaintiffs' Parties, and each of the Class Members shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims (including Unknown Claims) as against the Released Defendant Parties, whether or not such Class Member executes and delivers a Claim Form or participates in the Settlement Fund.

6. Upon the Effective Date, all Class Members (including Lead Plaintiffs) and anyone claiming through or on behalf of any of them, except any Person who has validly and timely requested exclusion from the Class, will be forever barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting, or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively,

or in any other capacity) asserting any of the Released Claims against any of the Released Defendant Parties.

7. Upon the Effective Date, each of the Released Defendant Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Lead Plaintiffs, the Released Plaintiffs' Parties, each and all of the Class Members, and Plaintiffs' Counsel from all claims whatsoever arising out of, relating to, or in connection with the investigation, institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims, except for those claims brought to enforce the Settlement.

8. The Court hereby finds that the distribution of the Notice of Pendency and Proposed Settlement of Class Action, mailing of Postcard Notice, and emailing and publication of the Summary Notice as provided for in the Preliminary Approval Order, as previously ordered at ¶ 7 of the Order Preliminarily Approving Settlement Providing for Notice of Pendency, constituted the best notice practicable under the circumstances – including individual notice to all Class Members who could be identified through reasonable effort – of those proceedings and of the matters set forth therein, including the proposed Settlement, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, and any other applicable law.

9. Neither any objection to this Court's approval of the Plan of Allocation submitted by Lead Counsel nor to any portion of this order regarding the Attorneys' Fee and Expense Application shall in any way disturb or affect the finality of this Judgment.

10. Neither the Stipulation, nor the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them: (a) is or may be deemed to be or may be used

as an admission of, concession or evidence of, the validity of any Released Claim, the truth of any fact alleged in the Action, the deficiency of any defense that has been or could have been asserted in the Action, or of any alleged wrongdoing, liability, negligence, or fault of any Released Defendant Parties; or (b) is or may be deemed to be or may be used as an admission, concession or evidence of, any fault or misrepresentation or omission of, including with respect to any statement or written document attributed to, approved or made by, any of the Released Defendant Parties in any civil, criminal, administrative, or other proceeding before any court, administrative agency, arbitration tribunal, or other body. Any of the Released Defendant Parties may file the Stipulation and/or the Judgment in any other action or other proceeding that may be brought against them in order to support a defense, argument, or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense, argument, or counterclaim.

11. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this Settlement; (b) disposition of the Settlement Fund; and (c) all Settling Parties hereto for the purpose of construing, enforcing and administering the Stipulation and this Judgment.

12. After completion of the processing of all claims by the Claims Administrator, the Escrow Agent shall disburse the Net Settlement Fund in accordance with the Stipulation and Plan of Allocation without further order of this Court.

13. The Court finds that during the course of the Action, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

14. Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil

Procedure, the Court finds and concludes that due and adequate notice was directed to all Class Members advising them: (a) that Lead Counsel would seek an award of attorneys' fees of up to one-third (33 1/3 %) of the Settlement Fund on behalf of Plaintiffs' Counsel, and reimbursement of expenses incurred in connection with the prosecution of the Action not to exceed \$4,500,000, Lead Plaintiffs and Class Representatives would seek compensatory awards not to exceed \$125,000 each; and (b) that Class Members had a right to object to such application(s). A full and fair opportunity was given to all Persons who are Class Members to be heard with respect to the application for the award of attorneys' fees and expenses. The Court finds and concludes that the requested fee award is reasonable and awards attorneys' fees of _____% percent of the Settlement Fund, plus reimbursement of expenses in the amount of \$ _____, both to be paid from the Settlement Fund pursuant to the Stipulation, upon entry of this Order, and awards Lead Plaintiff and Class Representative Todd Cox a compensatory award of \$ _____, and Lead Plaintiff and Class Representative Mary Dinzik a compensatory award of \$ _____, to be paid after the Effective Date.

15. Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court finds and concludes that due and adequate notice was directed to all Class Members advising them of the Plan of Allocation and of their right to object, and a full and fair opportunity was given to all Class Members to be heard with respect to the Plan of Allocation. The Court finds that the formula for the calculation of the claims of Authorized Claimants, which is set forth in the Notice of Pendency and Proposed Settlement of Class Action sent to Class Members, provides a fair and reasonable basis upon which to allocate among Class Members the proceeds of the Settlement Fund established by the Stipulation, with due consideration having been given to administrative convenience and necessity. The Court hereby finds and concludes that the Plan of

Allocation set forth in the Notice is in all respects fair and reasonable and the Court hereby approves the Plan of Allocation.

16. This Action is hereby dismissed in its entirety with prejudice as to all Defendants.

17. All agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Order, pursuant to their terms.

18. In the event that the Settlement does not become Final in accordance with the Stipulation, or the Effective Date does not occur, this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated. In such event, all orders entered and releases delivered in connection herewith shall also be null and void to the extent provided by and in accordance with the Stipulation, and this litigation shall revert to the state at which it existed on April 6, 2022.

19. There is no just reason for delay in the entry of this Judgment and immediate entry by the Clerk of the Court is expressly directed pursuant to Rule 54(b) of the Federal Rules of Civil Procedure.
